Reissue Applications

1. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

The reissue declaration is inconsistent with the "appendix" of the declaration. Applicant specifically indicates that a new claim 21 is added which similar to claim 1 but with a small modification. However, there is no new claim 21 in the application file. As such the declaration is considered defective. New claim 21 cannot be acted upon, as it is not present.

2. Claims 1-20 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the alleged error which is not reflected by an amendment therefore the application stands as having no apparent defect and/or lack of an appropriate error.

3. In accordance with 37 CFR 1.176, the original claims, if represented in the reissue application, will be fully examined in the same manner, and subject to the same rules as if presented for the first time in an original non-reissue application. Claims 1-20 are not rejected over the prior art.

4. Applicant is reminded of the continuing obligation under 37 CFR 1.178(b), to timely apprise the Office of any prior or concurrent proceeding in which Patent No. 6565746 is or was involved. These proceedings would include interferences, reissues, reexaminations, and litigation.

Applicant is further reminded of the continuing obligation under 37 CFR 1.56, to timely apprise the Office of any information which is material to patentability of the claims under consideration in this reissue application.

These obligations rest with each individual associated with the filing and prosecution of this application for reissue. See also MPEP §§ 1404, 1442.01 and 1442.04.
